All Staff

I am pleased to announce that Tim Hodgson has been appointed to the role of Consulting Editor.

Tim is an award-winning Bermudian journalist and former editor of the Mid-Ocean News.

Since the closure of the Mid-Ocean News Tim has worked primarily in digital media, both locally and in the United States, and has been a regular contributor to the Bernews website for the last three years.

Tim is a hugely experienced senior editor with a solid understanding of the print and digital demands within the business and wider industry. His mandate includes helping us better align the newspaper's print and on-line strategies.

Please join me in welcoming Tim to the Royal Gazette.

Sincerely,

Jonathan Howes  
Chief Executive Office
